All members should refer to the PTA Directions to Venues information sheet for addresses, postcodes for satellite navigation, and directions or email Karen Parkinson (karenparkinson.pta@outlook.com) or see our Facebook Page.

Please check the Events Calendar and News page on the PTA website, or our Facebook Page for additional or cancelled events, changes to dates and times, and any other amendments which may be outside the control of the Club - for example adverse weather or ground conditions, unscheduled changes to planned crop rotation, or variation of field use at short notice. Please check the website rather than miss an additional opportunity to train, or make a wasted journey due to a cancellation or date change. Thank you.

See website Training page for more details. A copy PDF file is also available for download.
