The Pennine Training Area (PTA) was formed in 1960 and is part of the Northern Golden Retriever Association (NGRA). We are a Gundog Club run by the Committee (and members) for the members. The Club's aim – to provide gundog training facilities and organise Working Tests – all within an informal club environment. All Retriever breeds are welcome to take part. There's more information on our website – www.penninetrainingarea.org.uk.

There are a few basic rules to be observed during training classes:

- Bitches in season are not allowed at training classes or any other Event.
- Handlers under 11 years of age must obtain prior permission to take part from a Committee member, and should be accompanied by a Parent, Guardian, or responsible adult.
- All dogs must be kept on a lead, except when under a trainer's instruction.

There is a voluntary fee for training of £2.00 per dog per class towards the cost of training equipment etc. Light refreshments are available at most events. Small contributions of sandwiches, cakes or biscuits brought to share on the day are always greatly appreciated. If you'd like to take part in the activities for the whole day, then bring a packed lunch. As the day is split you'll only need to turn up for your particular class – although many members, once they've finished their 'session' (or before theirs is due to start) also assist the trainers – for example by throwing, placing, and collecting dummies.
